

1. Out of 100, what percentage of the project do you think you contributed to?

35%

2. Describe your individual contribution to the project (max 1/2 page).

I did research on the topic and came up with the idea of the Fund Raising to have higher incomes and increase the Financial Fair Play Regulations, and also, rewarding fan investors with tokens which have different utilities within the club. Additionally, I have taken a big part in the development of the solidity contracts, as well as the test files. And finally, I have helped with the writing of the rest of the report, by defining some important concepts, such as Blockchain and Tokenization.
